It was a beautiful sunny day at Long Beach to celebrate our 2009 Miagao Fi-

esta. With months of planning, the festive occasion was a great success. There was a great turnout of guests that have arrived from Los Angeles and San Diego who also have brought their family and friends.

Everyone seem to have a wonderful time. There were plenty of food to eat, enough to go back

for seconds. The entertainment by our talented young Miagaowanons to the slide show by Paul Jequinto was enjoyed by our guest.

Thank you to all officers and members that helped made that day a success. Thank you to Jovito Montano and family for donating our delicious lechon. Also to Patty Ballard for the beautiful flower centerpiece and decorations. And also to Regina Nufable and her friends for the entertainment, and Annaver for the setting up the altar and especially thank you to Father Martin for the beautiful mass.
